Shelly Millis Superintendent on Project Updates

The summer flew by and here we are getting ready for another exciting school year at Montabella. There were several projects that took place over the summer and are wrapping up as we get ready for the first day of school.

Safety Grant: Last school year the district received a grant from the State of Michigan for some safety and security updates. The projects that were completed this summer include the installation of window film on glass around the doorways and classrooms at the jr/sr high, the elementary film will be added during construction of that building in 2021. The buildings also received an upgrade to the public address systems and electronic door access systems. Both of these upgraded systems will be operational when school resumes.

Jr/Sr High: The Jr/Sr high building received a few upgrades that will be finished up prior to the first day of school for students. The biggest project was the upgrade to HVAC that included new blower coils in classrooms and the installation of a chilled water unit. This will provide for a less noise in classrooms as well as the ability to have air conditioning throughout most classrooms in the building. The jr/sr office also is getting a facelift. The main entrance will now route all visitors into the office prior to being able to enter the building adding an extra layer of security for our staff and students. The locker rooms got some small upgrades they now have new privacy walls by the entrance into the new corridor.

Football Stadium: New fencing was added around the football field to help enclose the area. This will allow for parking closer to the stadium by the baseball field and practice fields. A new ticket window will be added to the concession stand to accommodate the new parking and entrance. This project is anticipated to be finished prior to our first home football games.

Connector: The new construction connecting the two buildings continues to move along. We anticipate construction to finish up in November. The connector will have a fitness center, 6 regular elementary classrooms, 1 intervention classroom, bathrooms and Central Office. The exterior brick is completed and now the work on the inside begins and will continue throughout the fall. Once the connector is complete we will have a grand opening so stay tuned for more information on that.

We would like to thank the Montabella Community once again for their support of the schools through the passing of the operation and sinking fund millages that were on the August ballot. The sinking fund will allow us to continue to keep our facilities up to date and to keep our students as safe as possible. Thank you for putting the students of our district as a priority in our community.

Taylor Harkness, an incoming Junior at Montabella Senior High School, is a Michigan High School Rodeo contestant. Taylor competes in barrel racing and pole bending events. Taylor rounded out her sophomore year as reserve barrel racing champion and top 4 pole bending contestant. Based on her placing's Harkness qualified to compete nationally in both events. She traveled to Rock Springs, WY with her horse Vegas where they competed against the best of the best nationally. She is looking forward to her junior year and continued success with Vegas in Michigan High School Rodeo.

Congratulations Taylor!!!

TITLE I

Title I is a federally funded program designed to provide additional help for students based on local eligibility criteria. Title I support is available for all students at Montabella Community Schools who meet the criteria. At the elementary level, students may work outside the classroom with Title I staff or a Title I staff member may assist students within the classroom; at the secondary level Title I staff may provide services through a course within the students daily schedule. The parent of any student has the right to request the professional qualifications of all teachers and paraprofessionals working with the student. Requests can be made at the school offices. A students' success in school is directly related to the quality of communication and shared commitment which exists between the home and school. In order to emphasize this point and to respect the Title I guidelines, a school/parent compact, or statement of mutual understanding, is put forth. The purposes of the compact are to identify conditions that are supportive of academic success and to highlight areas of shared responsibility in your student's school experience.

MONTABELLA ELEMENTARY COMPACT: TEACHER/STUDENT/PARENT AGREEMENT TEACHER COMMITMENT, I will: Provide a variety of teaching strategies to best meet all student learning styles. Provide a positive atmosphere for teaching and learning. Be flexible to meet individual student needs. Maintain high expectations for myself and my students. Value the uniqueness of each child and his/her family.

STUDENT COMMITMENT, I will:

Bring the necessary materials (completed homework, pencil, textbooks) needed to class each day. Ask questions when I don't understand something. Always try to work to the best of my ability. Show respect for myself, my school, other students, and other's belongings. Accept responsibility and consequences for my actions. Follow all school, classroom, and home rules.

PARENT COMMITMENT, I will:

Support the school staff in regards to my students' educational and behavioral progress. Provide a structured time and place for study at home. Encourage my child to complete and return all homework assignments. Communicate with the school any concerns regarding my child's progress. See that my child attends school regularly and is punctual. I will contact the school when my child is absent. Be a reading role model for my child and by having him/her see me read and encouraging my child to read at home.

MONTABELLA JR./SR HIGH PARENT/TEACHER/STUDENTCOMPACT: A PROMISE OF COMMITMENT TO EXCELLENCE

As a Title I school, Montabella Jr./Sr. High School has created a form that states the responsibilities of parents, teachers, and students to ensure that a quality education is available through the efforts of all three parties.

Parent/Guardian Responsibility: It is important to have my child reach his/her full academic potential. Therefore, I will:

Believe my child can learn. Show respect and support for my child, the staff, and the school, and recognize and respect diverse cultures within the school. Remind my student of behavior expectations at Montabella Jr./Sr. High and support the school in its efforts to maintain proper discipline and provide a safe and orderly learning environment. Make sure my student is on time and strives for 100% attendance and will contact the school when absent. Check with my child daily regarding information sent from school, major assignments given, and current grade levels. Encourage my child to participate in class, complete as much homework as possible, and take advantage of available remediation opportunities. Promote an environment at home so my child understands that living in a group, whether it be a family or classroom, requires standards of behavior and cooperation, and that one must accept the consequences of one's actions. Use internet reports or progress reports to monitor my student's achievement in specific classes. Attend conferences, meetings, parent nights and participate in school committees when available. Keep lines of communication open and model respect by going to the teacher first when there is a concern.

Educator Responsibility: Student must be given the opportunity to succeed. Therefore, I will:

Believe each child can learn. Show respect and support for my students, their parents, and recognize and respect diverse cultures within the school.

Demonstrate professional behavior and a positive attitude.

Provide a positive atmosphere for teaching and learning in the classroom and guidance and support in GASS class. (Guidance for Academic Student Success) Enforce the rules and policies of the school consistently and fairly.

Make efficient use of academic learning time. Provide individualized strategies to increase student competencies as needed (i.e., organizational strategies, test-taking strategies, reading strategies). Utilize a wide range of teaching techniques to benefit the wide range of learning styles in order to meet the state curriculum standards and ensure student success on state assessments. Strive to teach, not to tell. Maintain open lines of communication with students and parents in order to support their learning and respond to parent communication within 24 hours, when appropriate.

Student Responsibility: it is important that I do the best that I can. Therefore, I will:

Believe that I can learn. Show respect for my parents, my peers (and their belongings), the staff, and the school, and recognize and respect diverse cultures within the school. Follow rules at my home and school. Come to school every day prepared, ready to learn and be in class on time. Give my parents (or guardian) all papers and information sent home with me from school. Finish my schoolwork and participate in classroom activities. Take responsibility for my actions. Take advantage of guidance, support, and additional time offered in GASS class. Take advantage of the additional opportunities offered to me through tutoring and remediation classes. Communicate with my teachers and parents by asking for help when I need it.

FAMILY RIGHTS AND PRIVACY ACT (FERPA)

The Family Education Rights and Privacy Act of 1974 require school districts to make available to parents and students the contents of student records maintained by the school.

A procedure has been established with allows **parents** who are interested in examining their child's record to contact the building principal where the child attends school to make arrangements for the examination. If, after examination, the parent (or student who has reached the age of majority) conclude that the file is in error or in any way disagrees with the contents, they are afforded the opportunity to challenge the record. Further, a due process hearing is afforded, if desired. Those who examine the records and conclude that they would like a copy will be able to obtain one from the school for a nominal fee.

The official administrative student record contains such information as the record of academic work completed, level of achievement, intelligence and achievement test score, attendance dates, teacher or counselor ratings, etc.

Notification of Rights under FERPA for elementary and secondary institutions and designation of directory information;

1. The right to inspect and review the student's education records within 45 days of the day the district receives a request for access.
2. The right to request the amendment of the student's education records that the parent or eligible student believe are inaccurate or misleading. Parents or eligible students may ask Montabella Community Schools to amend a record that they believe is inaccurate or misleading. They should write the school administrator, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interest. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist) or a parent or student serving on an official committee, such as a disciplinary or grievance service committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

SCHOOL OF CHOICE

Montabella Community Schools school choice procedures. All students that were previously accepted into Montabella Community Schools through school of choice will remain students of the district until transferring. Students do not need to reapply to remain at Montabella Schools. If a non-resident student transfers out of Montabella Schools, in order to return the student must go through the school of choice application procedures. School of choice application periods are closed on the dates indicated. Non-resident students will remain in their school of choice district until the next application period, which is at the start of each semester. The only transfer allowed during non-application periods is a transfer back to the student's resident district. Fall application period runs through **August 23, 2019**. Second semester open enrollment period will be from **December 9, 2019 through January 10, 2020**. Application forms can be found at www.montabella.com, or any office in the district.

ANNUAL REPORT

The Michigan Department of Education (MDE) will not have assessment and accountability data ready for schools until fall. Therefore, Montabella Community Schools Annual Education Reports are not available at this time. When new public reporting requirements are released from the MDE the annual report will be published and available at the central office and at each building office.

ADULT EDUCATION OFFERINGS

Information about adult education classes, GED preparation, and GED testing can be found on the Mt. Pleasant Community Education website mpleasantschools.net/Domain/15 or call 989-775-2370

Central Montcalm Public Schools also offers adult education classes. Information can be found on the Central Montcalm Community Education website www.central-montcalm.org or 989-831-2402

DANGEROUS WEAPONS LAW

As the school year begins, students and parents should be reminded of the Dangerous Weapons Law. Section 1311, paragraph 2 of the State School Code gives district Boards of Education the power and the authority to expel students possessing dangerous weapons on school grounds. There are guidelines that the Board of Education must follow when determining the consequences for violating the Dangerous Weapons Law. With heightened national concern regarding school violence, please be aware, and make your child aware, of the danger and consequences resulting from bringing or possessing any type of weapon on school property. What may be a unique or beautiful part of a knife or gun collection at home, will be considered a "dangerous weapon" when brought to school. Appropriate action will be taken by school administration.

IMMUNIZATIONS

New vaccination regulations have been put in place that affect any student changing schools, as well as those who will be enrolled in the 6th grade. Please visit www.michign.gov/teenvaccines for more information.

NOTICE OF NON-DISCRIMINATORY POLICY

It is the policy of the Montabella Community Schools that no person shall, on the basis of race, color, national origin, sex, or handicap, be excluded from participation in, be denied the benefits of or be subjected to discrimination under any program or activity or in employment. Grievance procedures for the Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973, are available by contacting the Montabella Central Office at 989-427-5148

BUILD UP MICHIGAN (Project Find)

In Michigan we know that education begins at birth. We also know that some of our children need extra help or other related special services along the way. That's why Michigan's special education system helps children as young as newborns and up to age 26. Build Up Michigan provides information about special education programs and services and helps to arrange free evaluations to find out if a child is eligible for extra help from any of Michigan's public schools. If a child you know is struggling in school or has a physical, emotional or communication problem that might prevent success in school, call Build Up Michigan. We're here to help. Contact your building principal or call 800-252-0052, visit www.BuildUpMichigan.org You can also contact Angie Porter at the MAISD 616-225-4830.

HOMELESS

In order that homeless youth receive the necessary means and measures of appropriate teacher and learning, both State and Federal Government along with Local School Districts are required to provide a coordinated effort to assure that such services are available and delivered. Such provisions generally include but are not limited to free lunch, Title I services, and when possible, transportation to the students school of origin. It is important to understand that income is typically not the main factor in the identification of and qualification for homeless status. Should you have concerns about homeless youth within our school district, you are encouraged to contact any of our school counselors, school social workers, or school administrators. The designated homeless liaison for Montabella Community Schools is Mr. Marty Weese, Dean of Students/AD. He can be reached at 989-427-5154 or 5175. Or at mweese@montabella.com

Who is homeless? (Sec.725) The term "homeless children and youth" - -

(A) means individuals who lack a fixed, regular, and adequate nighttime residence; and

(B) Includes - -

(i) children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative accommodations, or are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement; (ii) children and youth who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings...(iii) children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and (iv) migratory children who qualify as homeless for the purposes of this subtitle because the children are living in circumstances described in clauses (i) through (iii).

PERSONALLY IDENTIFIABLE INFORMATION

Public Law 93.380 provides:

An education agency or institution may disclose personally identifiable information from the education records of a student who is in attendance at the institution or agency if the information had been designated as directory information 45 C.F.R.99.37(a). According to Section 99.37(a) of Public Law 93.380, the following information is designated as directory information with respect to all past and present students of the Montabella Community Schools: 1) Name; 2) Address; 3) Telephone Number; 4) Date and Place of Birth; 5) Major or minor fields of study and courses taken; 6) participation in officially recognized activities and sports; 7) Weight and height of member of athletic teams; 8) Dates of attendance; 9) Degrees and awards; 10) The most recent previous educational agency or institution attended by the student; and 11) Other similar personally identifiable information.

If you, as parent, do not want this type of personally identifiable information made part of publicity, please send a letter of notification designating the specific categories of information you do not want released with respect to your child. Direct this letter of notification to: Montabella Central Office, PO Box 349, Edmore MI 48829. In accordance with this law, a parent or student currently in attendance in the Montabella Community Schools has ten (10) days from the date of this notice to file written notice to the school district.

PESTICIDE APPLICATION NOTIFICATION

Montabella Community Schools are required by state regulation 637 to ask if parents would like to be notified of any pesticide application that might be needed in their child's school. Please be advised that pesticide application will be scheduled when students are not in the buildings. Inspections are planned on a quarterly basis and applications of pesticides are then scheduled, if needed. The first inspection is done in August. The other quarterly inspections will also be when school is not in session.

In certain emergencies, pesticides may be applied without prior notice, but parents will be provided notice following any such application. Precautions will always be taken to insure the safety of the students. Should you have any questions or concerns about pest management within your child's school, please contact Shelly Millis, Superintendent, at 989-427-5148. Please notify us by returning to your school office the form that follows if you wish to be notified regarding pesticide application.
