

IMPACT TO HOMEOWNERS

Montabella Community Schools are placing a \$21 million bond proposal on the ballot on May 8, 2018, which if approved by voters, would make additional improvements to the existing site and facilities. These improvements would be funded by continuing the existing 5.42 millage.

This proposal will maintain the current millage rate.

2018 Bond Proposal

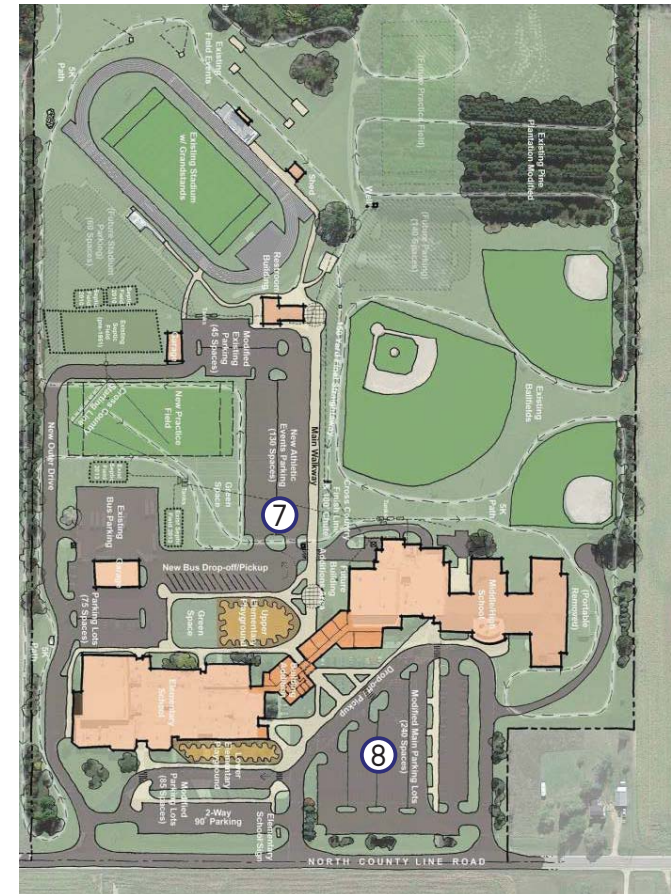

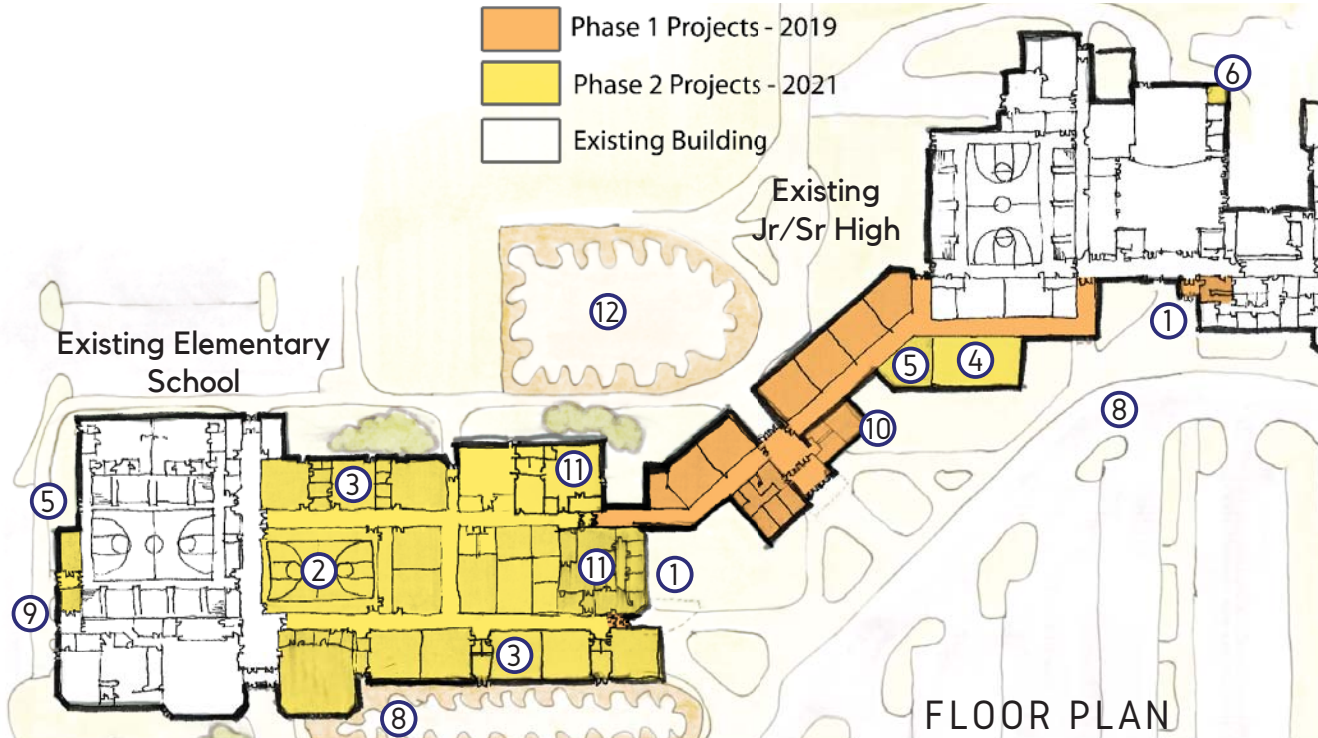

DISTRICT WIDE RENOVATIONS

The proposed work will create expanded learning spaces in the district and connect the Jr/Sr High School and the Elementary School, creating a much safer passage for students and staff between buildings.

Additional Improvements:

1. Secured Entry at Elementary School and Jr/Sr High School
2. Elementary Multi-Purpose Space/Gym
3. Larger Classrooms
4. New Fitness Room
5. Add Building Storage to both Schools
6. Band Instrument Storage Addition
7. Additional Athletic Parking
8. Improved Parent Pick-Up and Drop-Off
9. Elementary Freezer Addition
10. Remove Seven Existing Small, Interior Classrooms and Replace with Larger, Daylit Classrooms with Lockers and Bathrooms along with a Connecting Corridor and Central Office
11. Remodel for Media Center and Elementary Office
12. New Elementary Playground and Green Space
13. New Technology and Furniture
